Dear Parent/Carer,

Please find our primary 2 homework to cover the next 4 weeks. A minimum of 4 activities should be completed during this time. Colour in each block once completed/undertaken and date where possible. You may, however, complete more over and above this minimum. You may complete tasks in your homework jotter; however this is not a requirement. Reading will still be given out on a regular basis and should be done nightly.

Have fun and we look forward to seeing and hearing about your home learning over the next few weeks!
