

P4 HOMEWORK

Jan 15th - Feb 9th

<p>FOOD TECHNOLOGY</p> <p>Find a recipe for a healthy meal you would like to try and make this with an adult</p> 	<p>READING</p> <p>Read some Scottish texts you find, perhaps at the library or online, and record these in your Reading Passport.</p> 	<p>LITERACY</p> <p>Learn a Scottish Poem of your choosing and prepare to perform this in front of the class during Scots week - 22nd-26th Jan</p>	<p>CITIZENSHIP</p> <p>Find a way to help a person you know well, neighbour/ family friend, with chores. Be able to share what you are doing with your class.</p>
<p>MATHS</p> <p>Using the healthy recipe you have chosen, find out what it costs to make this and how much it costs per person.</p> 	<p>SPELLING</p> <p>Using the spelling rules you are working on in class- <i>practise words that use this rule. Get creative- share the ways you have been practising your spelling patterns with your class!</i></p>	<p>PE</p> <p>Learn about a traditional Scottish sport, watch it play it. Prepare a presentation in a style of your choosing to share with the class.</p> 	<p>TOPIC</p> <p>Find out 6 facts about <i>either</i> Robert the Bruce <i>or</i> William Wallace and present these in an interesting way so you can share your findings with the class.</p> 
<p>PERSONAL CHALLENGE</p> <p>Think of an interesting way to tell your new teacher about what makes you special, what you enjoy doing and who is in your family.</p> 	<p>CREATIVITY</p> <p>Create a piece of Art or a poem that reflects your thoughts/feelings about something traditionally Scottish eg Thistle, Highland Coos, shortbread, haggis, irn-bru.....</p> 	<p>SCIENCE INVESTIGATIONS</p> <p>Find out what materials in your home are magnetic and which aren't....what do you notice about those materials that are magnetic?</p> 	<p>MATHS</p> <p>Collect receipts from shopping trips, look at what has been bought and the cost of these items. Pick an item from each receipt and list the coins/notes on the back that you would need to pay for that item on its own.</p>

P4 HOMEWORK

Jan 15th - Feb 9th

Dear Parent/Carer,

Happy New Year! We hope you all had a super Christmas break. We are happy to be back and ready for a busy term ahead. We were delighted with the standard of homework that came in last term and the variety of ways in which the children presented their home learning. It was great to see things on On-line Journals, through Twitter and in jotters. We hope you are finding this a better way of working at home and that this new approach is working for you too.

Homework will be handed out twice this term; once before the February break and then again after the long weekend. Reading will still be given out on a regular basis and should be done nightly, as this is a skill that only develops from regular interaction with text. We very much appreciate your continued support with this area of learning.

The selection of activities on the other side of this sheet should be completed over the next 5 weeks. A minimum of 5 activities should be completed during this time. Colour in each block once completed/undertaken and date where possible. You may, however, complete more over and above this minimum.

****Once your child completes a task, please allow them to bring it in to school to share. Regular "Home Learning Sharing Times" will be incorporated in to the weekly timetable so that children can share what they have done with the teacher and the class.**

Have fun and we look forward to seeing and hearing about your home learning over the next few weeks!
