Dear Parents/Carers,

Well at last the sun has come out to remind us that the end of this summer term and the end of the school year are fast approaching.

We still have all of our health & safety measures in place but are finding creative ways to engage in as many of the usual end of term events as we can, including a P7 leaver event, P1 & P7 photos and Health Week. Unfortunately we are still not able to invite families to be with us here in school but we will continue to share news and photos of the events when we can.

We continue to appreciate all of the support and understanding that you have given the school during this year.

Stay Safe

Lisa Davies

Head Teacher

### ELC AND SCHOOL OPENING DURING THE SUMMER

Our ELC will remain open during the summer. The School will close at the end of the day on Friday 25th June and re-open on Tuesday 17th August

## PHOTOGRAPHS

On Wednesday 2nd June the photographer will be joining us to take the P1 and P7 'vista' photos, of each class. This will be a great keepsake of the special year for these children.

## P7 NEWS

Congratulations to our P7 pupils for their successful sponsored scoot to raise funds for their end of year celebrations and hoodies. We will be arranging end of year events for P7 pupils during the last week of term.

## HEALTH WEEK

Our Health Week will take place from Monday 7th June. All children will take part in health related learning and a class Sports Day during Health Week. Children are able to wear sports clothing (no football items) for the whole of Health Week.

## LITTER

Please can we politely remind all families to ensure that they dispose of litter in the appropriate place, in and around the school and local area. In particular please can we ask everyone to be extra careful when disposing of masks and other health products. Thank you for your support.

## CLASSES FOR NEXT YEAR

We are currently in the process of making arrangements for our classes next year. Presently we will not have a composite class next year but instead we will have three P3 classes. Once classes and staffing have been confirmed we will share the information with you and arrange a transition event for children.

## STAFFING

Welcome to Miss Hayley Thomson (Pupil Support Worker) and Ms Steph Lord (Early Years Practitioner) who have joined our team.

## HEALTH & SAFETY

Please can I politely remind parents/carers of the key messages below which will help to keep us all safe and also help to ensure the school can remain open for everyone:

- Please do not to enter the playground before the correct time (8.45am and 3.05pm) unless attending Breakfast Club or our ELC.
- Please maintain 2m distance from others
- Please use the designated gates for dropping off or collecting children and not our staff car park entrance/exit
- Please do not gather in groups with other parents/carers, inside school grounds or just outside, after children have gone into school or been collected
- Please take children home promptly once they have been collected
- Please wear a mask when in or around the school, unless you are exempt from mask wearing.

THANK YOU FOR YOUR SUPPORT WITH THESE MEASURES

## PARENT COUNCIL
