

# BROXBURN PRIMARY IMPROVEMENT PRIORITIES FOR 2023/2024

We will work together to refresh our curriculum through Project Based Learning and Play

We will implement interventions to support identified individuals, with a focus on writing.

To improve attainment including in literacy & numeracy

To close the attainment gap between our most and least disadvantaged children

To improve the health & wellbeing of our children

To improve employability skills and positive leaver destinations for our children

We will focus on Children's rights and apply the 5 key areas of the UNCRC framework.

We will increase opportunities for pupil voice and leadership.
