All schools should consider a curriculum rationale for ELC that takes account of the most recent national and local guidance related to the current situation. Refreshed curriculum rationales should reflect the local authority commitment to Agile Learning approaches prioritising authentic fulfilment of the four capacities and contexts for learning, within the Refreshed Narrative. See link below to the 'Resources to support the refreshed CfE (Curriculum for Excellence) Narrative'. <u>https://education.gov.scot/improvement/learning-resources/resources-to-support-the-refreshed-curriculum-for-excellence-narrative/</u>
